

Consultation Agreement EFT Group Supervision

- All parties participating agree and have been made aware that this consultation group will focus specifically on Emotionally Focused therapy (EFT). Group will consist of case presentations accompanied with video clips of sessions and role-plays.
- The purpose of this consultation group is to learn EFT and/or improve skills as an EFT therapist.
- Debi Scimeca-Diaz is only responsible for providing quality training/consultation on the use of the EFT model of Therapy. This training is a service to the therapist. The therapist is then solely responsible for the conduct of the therapy sessions and any outcomes of these sessions. Debi Scimeca-Diaz cannot, in any way, be held responsible for what occurs in therapy sessions or the outcome of those sessions.
- The therapist is responsible to inform Debi Scimeca-Diaz of his/her goals and is encouraged to evaluate self and provide feedback to her on an on-going basis.
- **Debi Scimeca-Diaz and the therapists will maintain confidentiality and will follow the Code of Ethics for one's professional discipline (especially with regard to consent for taping sessions).**
- Group tuition is for 6 groups and group will meet once per month for 6 months. Fees are listed on the registration page.
- If you are interested in individual supervision, please email Debi.
- If you miss, cancel or can not attend your monthly scheduled group your group tuition remains the same.
- After the first 6 meetings you will have the option of continuing group for the next series

By signing this you are agreeing to the above-mentioned guidelines. If you need any clarification or have any questions, do not hesitate to ask your consultant.
